HR-V
e:HEV

Kendi Kendini Şarj Eden hibrit motor size uyum sağlar

İster şehir içinde ister otoyolda HR-V'nin kendi kendini şarj eden hibrit sürüşü heyecan dolu bir hızlanma deneyimi için her zaman hazır.

HR-V üç farklı performans şekli sunuyor: size daha hassas yanıt veren bir sürüş için **Sport**, daha yumuşak bir yolculuk için **Normal** ve üstün yakıt verimliliği için **Econ** modunu seçebilirsiniz.

Ayrıca hangi sürüş şeklini seçerseniz seçin, e:HEV teknolojisi hem dünyaya, hem de cüzdanınıza daha iyi davranarak sizi daha uzun mesafe götürecektir.

A self-charging hybrid machine that moves you

The HR-V's responsive, self-charging hybrid engine is ready for any occasion: whether you're travelling through town or high-speed motoring, it's always ready with an exhilarating burst of acceleration.

Choose between three different performance modes: **Sport** for a responsive drive, **Normal** for a smooth ride and **Econ** for greater fuel efficiency.

And rest assured that whatever mode you go for, the e:HEV self-charging hybrid takes you further while being kinder to the planet – and your wallet.

Yönünü hisset

Siz HR-V'nizi sürdükçe **rejeneratif frenleme sistemi** fazla enerjiyi geri dönüştürerek aküyü şarj eder, böylece arabanızı asla fişe takmanıza gerek kalmaz.

Daha fazla elektrikli bir yolculuk için Drive Mode B'yi seçip direksiyondaki vites değiştirme kulakçıkları kullanılarak yavaşlama gücünü ayarlayabilirsiniz.

Sizin seçtiğiniz sürüş deneyimi ile yüksek yakıt verimliliği bir araya gelerek eğlenceli ve kusursuz bir yolculuk ortaya çıkıyor.

Feel your way

As you drive, the **regenerative braking system** gets to work by recovering energy and recharging the batteries along the way – so you never need to plug in.

For ultimate control and a ride that feels more electric, increase your HR-V's energy recovery by selecting Drive Mode B and adjusting the level of **deceleration effect** via the steering wheel-mounted paddle-shifters.

Great ride comfort with a drive mode chosen by you, and outstanding fuel economy – the end result is a fun, effortless drive.

Tarz Style

Size göre tasarlanmıř

Yeni HR-V dikkat çeken tasarımı, üstün verimlilik ve kullanılabilirliđi bir araya getiren sade bir yapıya sahip.

Göze batan tasarımına ek olarak tutumlu bir arabadır ve her zaman kahvenizi koyacak bir yer var.

Kısacası, bu araba modern hayatı düşünerek tasarlandı.

Designed for **your** life

The new HR-V embodies a clean simplicity that blends **stand-out style** with exceptional efficiency and ultimate usability.

Alongside its striking looks, it's easy on the purse strings – and there's always a place to put your coffee.

In short, this car was built with modern life in mind.

Hey, yakışıklı

Bir SUV'nin asaleti ile bir **coupé'nin zarafetini** bir araya getiren HR-V'nin fiziği tüm bakışları üzerinize çekecek.

Yalın çizgileri arabaya güçlü bir görünüm kazandırırken ileri momentumu her zaman aksiyona hazırdır.

Dikkat çekebilirken neden geri çekilelim?

Hey, good looking

With a charismatic physical presence that combines the confident stance of an SUV and the **elegance of a coupé**, you're guaranteed to turn heads.

Simple, clean shoulder lines give the HR-V a bold look and a forward momentum that's always ready for action.

After all, why stand back when you can stand out?

İç Mekan Interior

Sürücü koltuğunda siz varsınız.

Yeni yükseltilmiş koltuklar görüş hizanızı kaputun üzerine yükselterek sağladıkları mükemmel manzara sayesinde kendinizi dünyanın zirvesinde hissedeceksiniz.

Bilgi-eğlence ekranı ile donatılmış şık gösterge paneli dağınık bir görünümü önleyerek sizin yola konsantre olmanıza yardımcı olur.

Yeni bir özellik daha: HR-V'nin özel **Hava Difüzyon Sistemi** sıcak veya soğuk havayı siz ve yolcularınızın etrafında dolaştırarak rahat ve konforlu bir yolculuk sağlar.

Putting you in the driving seat

Have the city in your sights: the elevated new driving position puts your viewpoint above the bonnet, with excellent outward visibility that feels like you're on top of the world.

A **stylish horizontal dashboard** layout sets the scene for a ride focussed on the road ahead, eliminating clutter with an intuitive infotainment screen that defines contemporary design.

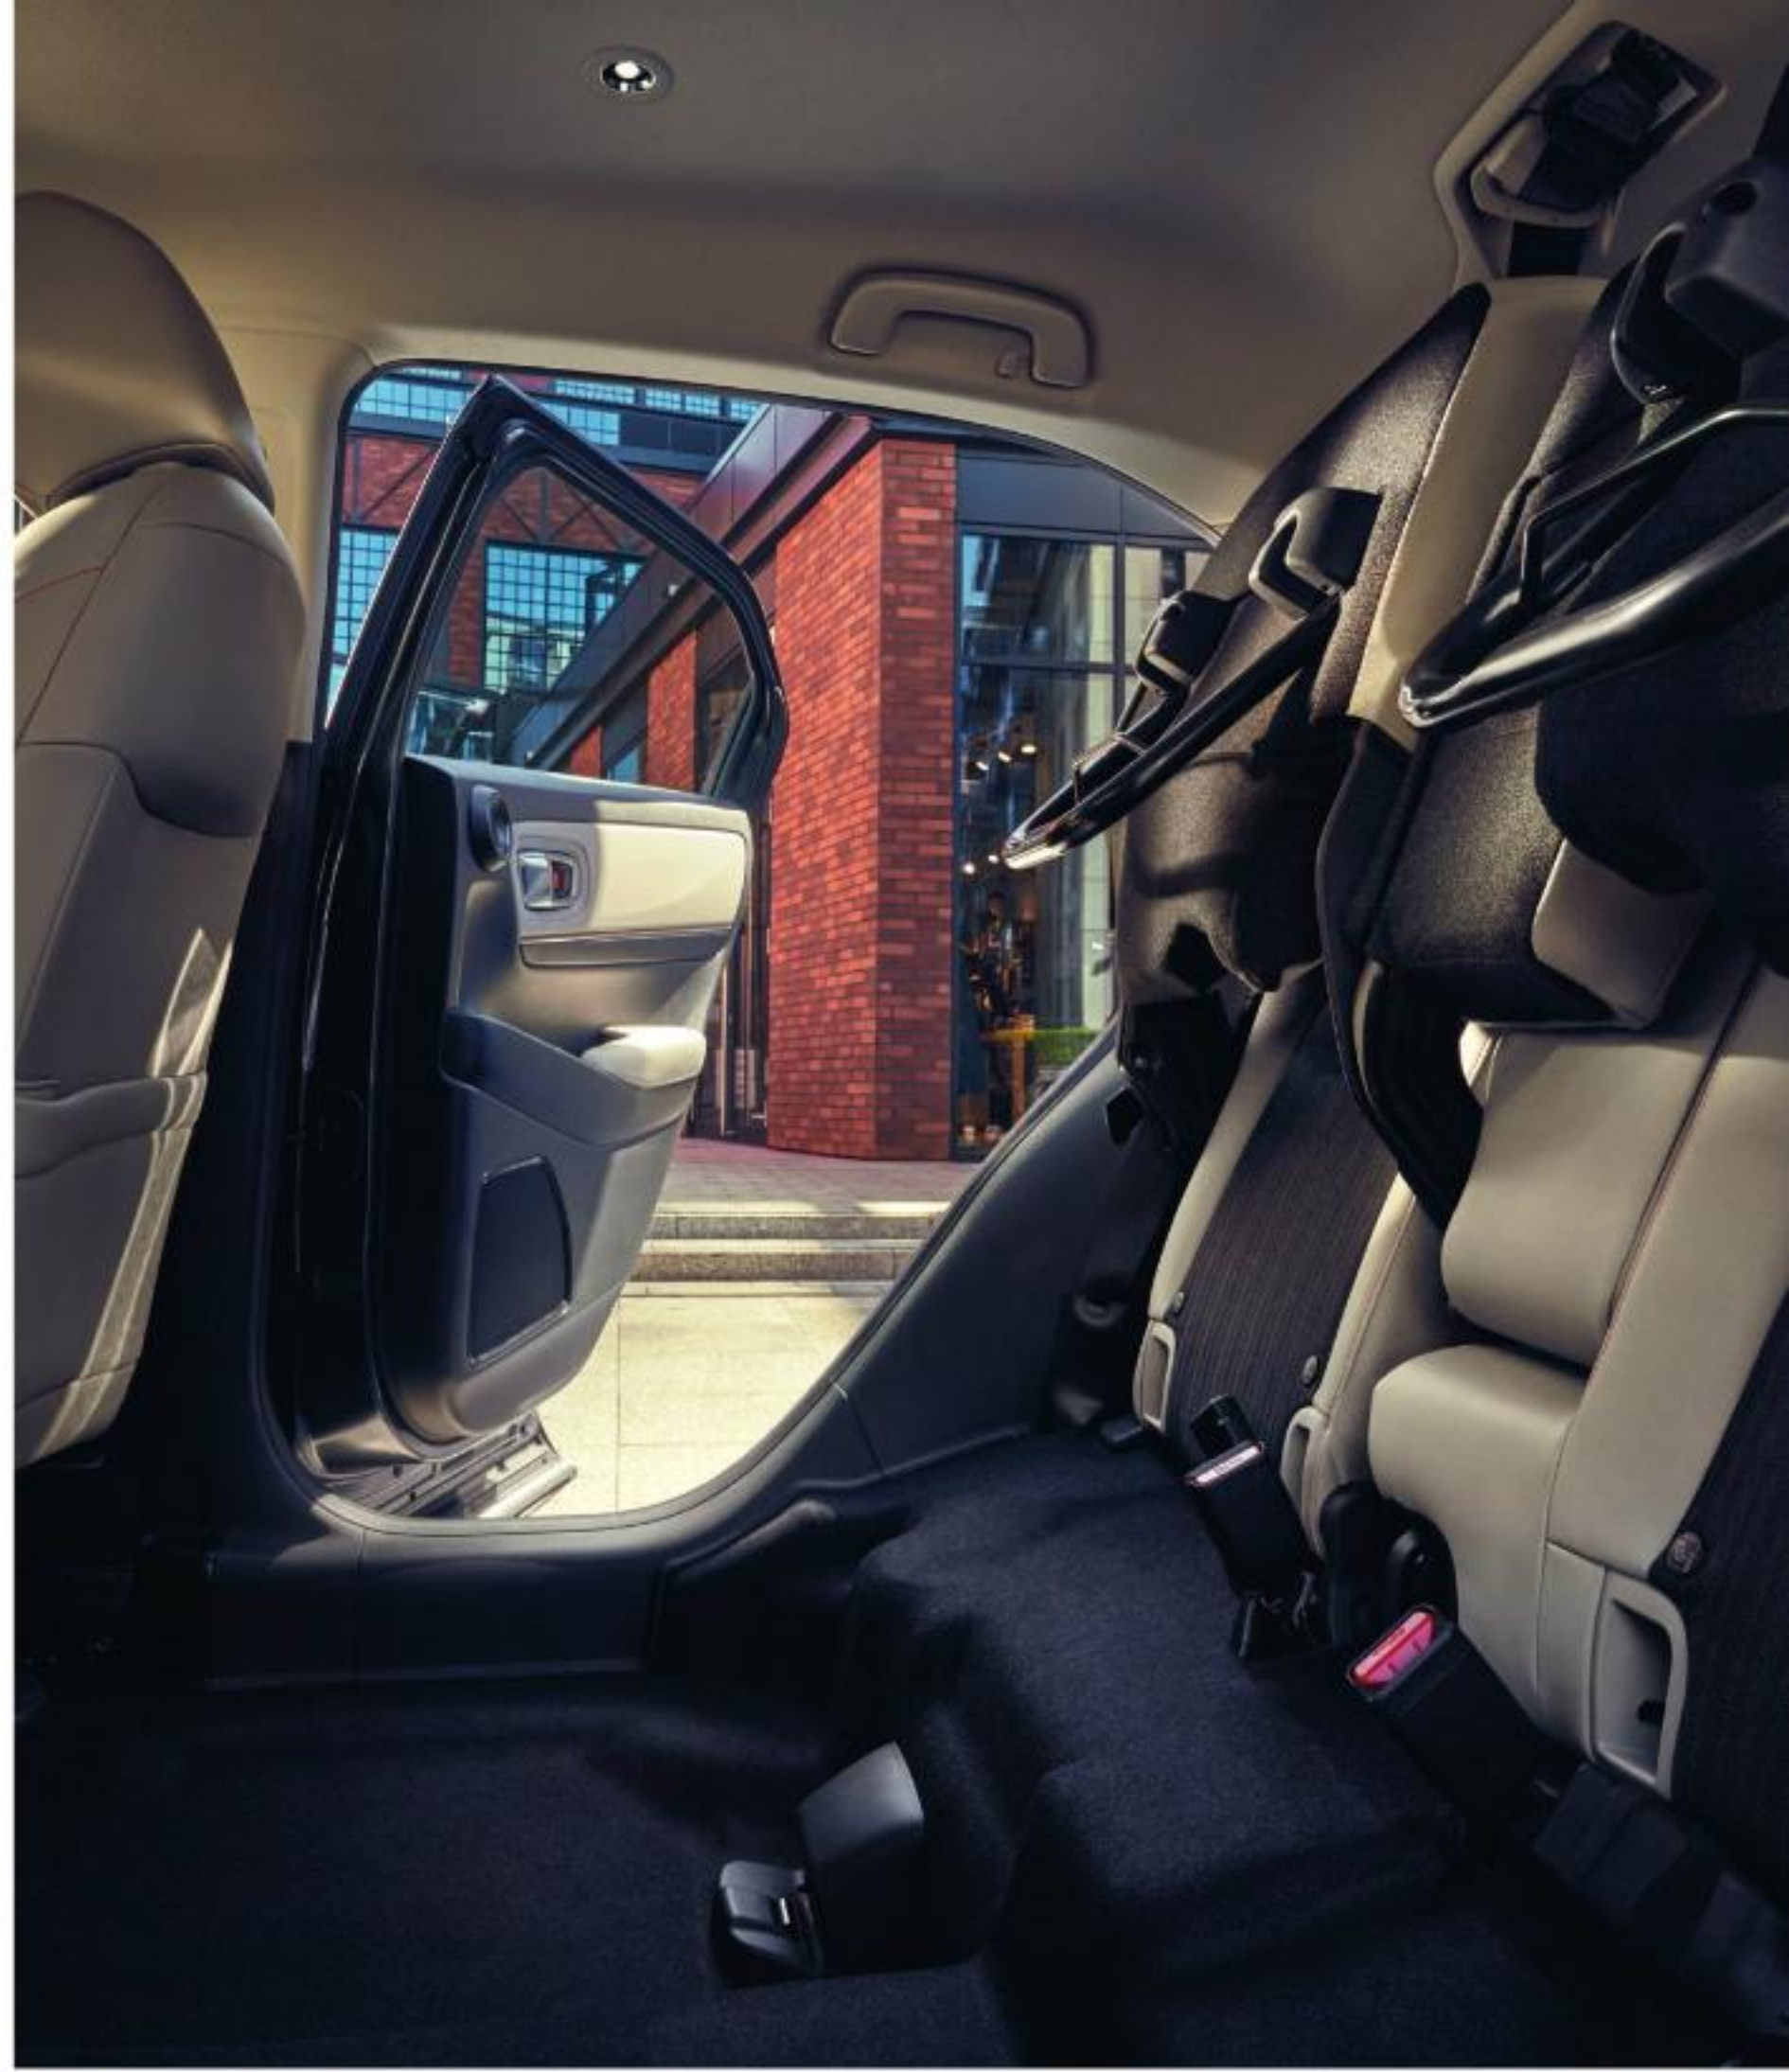

And another refreshing change: the HR-V's unique **Air Diffusion System** is devised to gently circulate warmed or cooled air around you and your passengers, making every journey more comfortable and relaxing.

**HEATED STEERING WHEEL
FOR COLD MORNINGS**

**L-SHAPED AIR VENTS
FOR WARM AFTERNOONS**

İç mekanda üstün ferahlık

İşe yolculuktan deniz kenarında hafta sonlarına, HR-V her zaman sizin yanınızda: **Sihirli Koltuklar** tek hareketle ayarlanarak iç kabinde bisiklet, ski veya sörf tahtalarına yer açıyor.

Çok yönlü arka koltuklar bir hareket ile yere paralel yatabiliyorlar. Daha fazla esneklik için ise koltukları 60:40 oranında katlamayı seçebilirsiniz.

Bu kadar alan ve bol bol bacak mesafesi olan arabada siz ne taşırsınız?

Winning the space race

From the daily commute to a weekend at the beach, the HR-V has you covered: reconfigure the **rear Magic Seats** with a single motion and instantly convert the modular interior into somewhere for bikes, skis, or a surfboard or two.

It pays to be versatile: tip them up for vertical space or fold them flat into the floor in one easy motion, or select the 60:40 split for even more flexibility.

With this much space and lots of legroom, how much can you pack in?

Güvenlik Safety

Güvenlik bizde standart

Honda SENSING teknolojisi yoldaki işaret ve koşulları sizden önce algılayarak Şerit Koruma Destek Sistemi, Çarpışma Hafifletici Fren Sistemi ve Akıllı Hız Limitleyici gibi özellikleri ile potansiyel tehlikelerden korur.

Her koşulda hazırlıklı olduğunuzun güvencesi ile siz ve yolcularınız rahat bir sürüş deneyimi yaşayabilirsiniz.

Nereye gidiyorsanız gidin, Honda ile sürüş güvenli sürüştür.

Safety comes as standard

Honda SENSING technology reads road signs and driving conditions before you do, pre-empting any potential hazards with features like Lane Keep Assist, Collision Mitigation Brake System and Intelligent Speed Limiter.

It's all because we want you and your passengers to enjoy the journey in comfort, safe in the knowledge you're prepared for whatever comes your way.

Wherever you're going, driving a Honda is driving with a sense of security.

Honda SENSING

Aşağıdaki Honda SENSING özelliklerinin tümü HR-V'de standart olarak bulunmaktadır:
All of the following Honda SENSING features come as standard on the HR-V:

Çarpışma Hafifletici Fren Sistemi

Bir otomobille veya yayayla çarpışma olasılığı söz konusu olduğunda bu özellik sizi tehlikeye karşı uyarıyor ve olası çarpışmanın şiddetini en aza indirmek için hızınızı azaltıyor.

Collision Mitigation Braking System

Avoids the possibility of colliding head on with another vehicle, pedestrian or cyclist by alerting you and reducing speed.

Çarpışma Hafifletici Gaz Pedalı Kontrol Sistemi

Araç hareket etmediği zamanlar veya gaz pedalı fazla kullanılıp 10 km/s az bir hızda ilerlerken önündeki engelleri algılayıp görsel ve işitsel uyarı verir.

Collision Mitigation Throttle Control

Recognises obstacles ahead of the vehicle and issues audio and visual alerts when stationary, or moving at less than 10 km/h if the accelerator is being over-used.

Arka Çarpışma Önleyici Gaz Pedalı Kontrol Sistemi

Araç hareket etmediği zamanlar veya gaz pedalı fazla kullanılıp 10 km/s az bir hızda ilerlerken arkadaki engelleri algılayıp görsel ve işitsel uyarı verir.

Rear Mitigation Throttle Control

Detects obstacles to the rear of the vehicle and issues audio and visual alerts when stationary, or moving at less than 10 km/h if the accelerator is being over-used.

Şeritte Tutma Asistanı

Otomobilin içinde bulunduğu şeridin dışına çıkması halinde (sinyal lambası etkinleştirilmediği durumlarda) sistem sizi görsel ve işitsel olarak uyarıyor ve aracı tekrar şeride sokmak için dikkatinizi çekiyor.

Road Departure Mitigation System

A newly improved warning system that flags the possibility of your vehicle crossing over lane or road boundary markings.

Traffic Sign Recognition System

Reminders of road-sign information such as the current speed limit and when overtaking is prohibited.

Trafik İşareti Tanıma Sistemi

Trafik işaretlerini tespit ediyor ve bu bilgiyi Bilgi Ekranı üzerinden sürücüye aktarıyor.

Lane Keep Assist System

Provides steering input to keep the vehicle in lane and alert the driver to protect against drifting.

Şerit Koruma Destek Sistemi

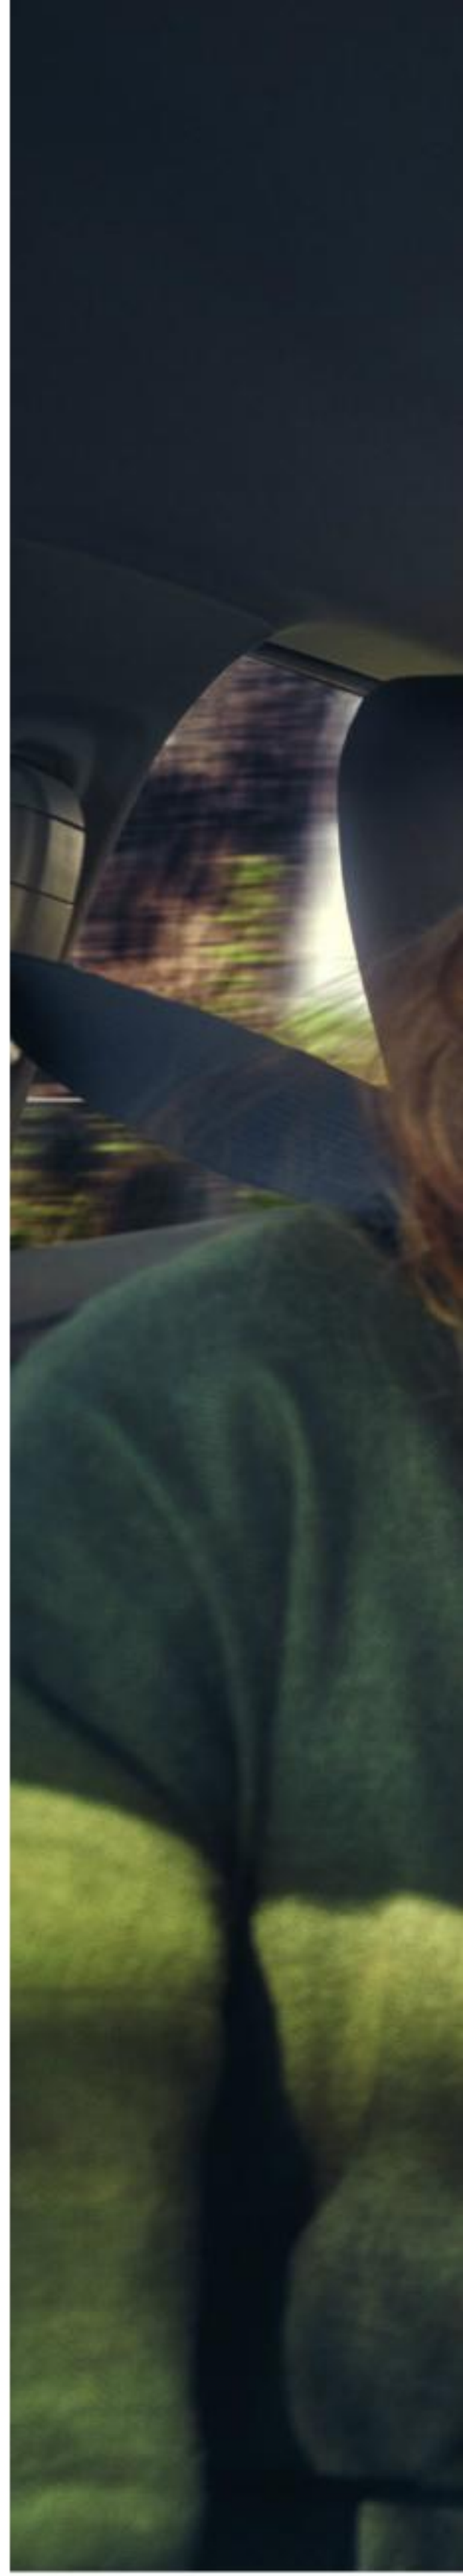

Otomobilin şerit ortasında kalmasına yardımcı olan sistem, sürüş boyunca direksiyon düzeltme gereksinimini azaltırken daha az stresli ve daha dingin bir sürüş deneyimi sağlıyor.

Auto High Beam

Recognises different light sources and automatically switches between low and high beam for night-time driving.

Otomatik Uzun Far

Gece arabanızı kullanırken farklı ışık kaynaklarını tanıyıp otomatik olarak uzun ve kısa farlar arasında değişim yapıyor.

**Akıllı Hız Limitleyici**

Trafik İşareti Tanıma Sistemi'nin algıladığı hıza göre aracınızın hız limitini otomatik olarak ayarlıyor.

Intelligent Speed Limiter

Automatically sets the speed limit as detected by the traffic sign recognition system.

Düşük Hızda Takip Özelliğine Sahip Uyarlanabilir Hız Sabitleyici

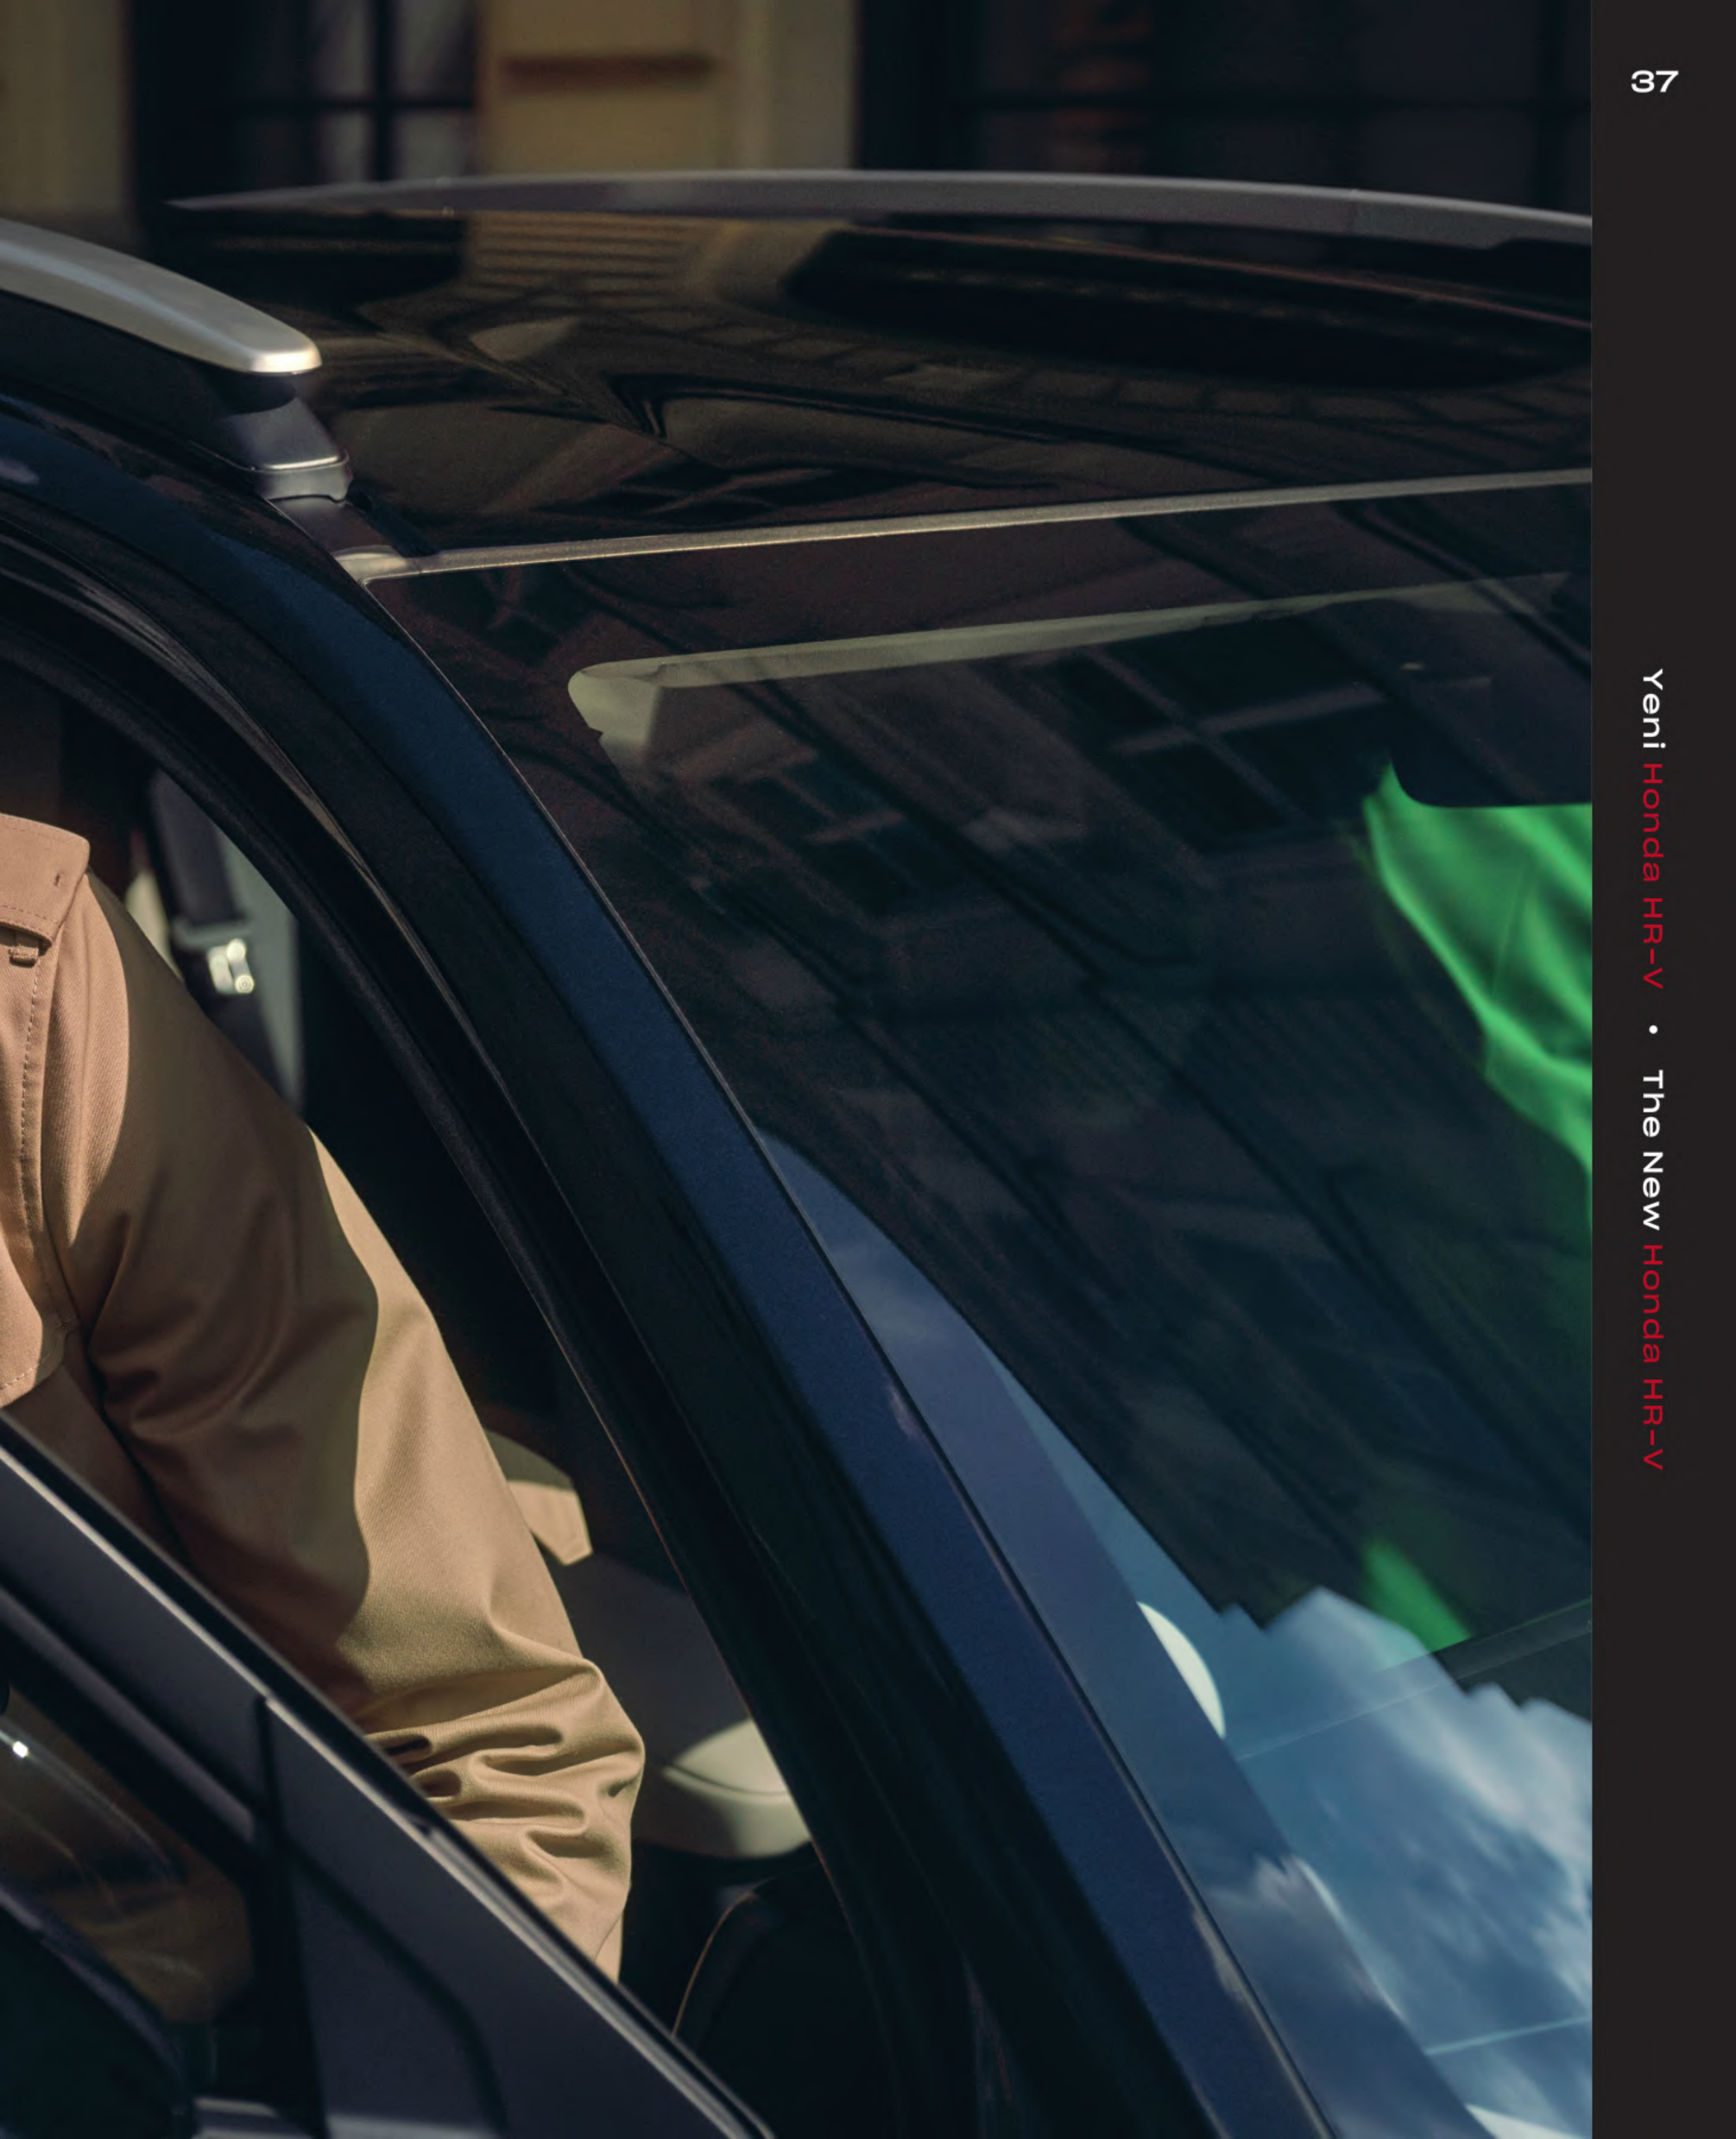

Önünüzdeki otomobile göre ayarlanmış seyir hızını ve takip mesafesini koruyor. Öndeki otomobilin durması halinde sistem siz ayağınızı fren pedalına götürmeden otomobilinizi yavaşlatıyor ve durduruyor.

Adaptive Cruise Control with Low-Speed Following

Maintains a constant speed and a set following interval behind and in front of the vehicle, which when needed, decelerates and stops automatically.

A man with short brown hair, wearing a tan jacket over a red shirt, is looking out from the driver's side window of a dark blue car. The car's interior and window frame are visible in the foreground, partially obscuring the man's face. The background shows a blurred building with a grid-like pattern.

FRONT GRILLE

Change the complete front look of your HR-V, replacing the standard body-coloured Front Grille with a Berlina Black finished grille. Also available for Style grade with Style emblem.

TAILGATE SPOILER EXTENSION

If a distinguished sporty look is what you want, this Honda genuine Tailgate Spoiler Extension in Berlina Black is exactly what you need. The Honda genuine spoiler is specifically developed to complement the standard tailgate spoiler.

FRONT SPORT BUMPER

Enhance the dynamic looks of your car with the body-coloured Front Sport Bumper. It features a chrome accent.

REAR DECORATION SPORT

Add to your Sport Pack with the body colour Rear Decoration Sport. Like the Front Sport Bumper, it features a chrome accent.

SIDE LOWER DECORATIONS

These body-coloured Side Lower Decorations (two parts per side) are giving a muscular look to your car.

Hibrit gücünü hisset

Akıllı **e:HEV hibrit motor** otomatik olarak üç sürüş şeklinden birini seçiyor: elektrikli sürüş, hibrit sürüş ve benzinli motor.

Formula 1® teknolojisinden esinlenerek tasarlanan e:HEV sisteminde benzinli motor elektrikli motora güç vererek jeneratörü besler, elektrikli motor ise tekerleklere güç vererek size her yolculukta en iyi performansı ve kusursuz bir sürüş tecrübesi sunar.

Elektrikli sürüş iki elektrikli motor kullanarak anında hızlanabiliyor.

Hibrit sürüş benzin ve elektrikli motorları birlikte kullanarak yüksek verimli performans sunuyor.

Benzinli motor yüksek hızları korumak için petrol kullanırken aynı zamanda fazla enerjiyi elektrikli motorları şarj etmek için kullanıyor.

Feel the self-charging hybrid power

*Designed with Honda's human-centric philosophy in mind, the intelligent **e:HEV full hybrid powertrain** automatically selects from three drive modes: Electric, Hybrid or Engine.*

Inspired by Formula 1® technology, it works like this: the petrol engine fuels the generator by supplying energy to the electric motor, which in turn propels the wheels – leaving you to enjoy optimum performance and a seamless ride, every time.

Electric Drive delivers instantaneous acceleration from standing using two electric motors.

Hybrid Drive combines the petrol engine and both electric motors for a highly efficient performance.

Engine Drive uses the petrol engine to maintain higher speeds, helping charge the electric motor with any excess energy stored in the battery for future use.

Active Lifestyle Pack

If you're looking for an all-round pack which perfectly fits your everyday needs and complements the premium character of your car, the Active Lifestyle Pack is a must. **This kit includes:** Set of Door Sill Trims, Set of Front and Rear Mud Flaps, Foldable Boot Mat and Wireless Charger.

WIRELESS CHARGER

The Honda Wireless Charger kit ensures your smartphone never runs out of power. Simply place your phone on the integrated charging mat for effortless charging without the hassle of wires. Compatible with all mobile phones with wireless charging feature.

Items in the pack are also available separately.

DOOR SILL TRIMS

The Door Sill Trims add a personal touch to your car while protecting the door sills from marks and scratches. They are crafted from brushed stainless steel and have an eye-catching, polished HR-V logo. This kit includes: front and rear trims.

FRONT AND REAR MUD FLAPS

Protect your car against dirt and stones with these subtle Front and Rear Mud Flaps. They're a great long term protection feature. The kit includes four pieces.

FOLDABLE BOOT MAT

The Foldable Boot Mat offers protection to your boot and to the complete loading floor in case the rear seats are folded down. This boot mat is reversible as well; one side is made of tufted carpet and the other side has a water repellent anti-slip pattern. In addition, this mat comes with a flexible flap to prevent scratches on your bumper when (un)loading your car.

Protection & Safety

Stay covered: from the Drive Recorder to capture your journey, to the Side Body Trims that ward off marks and scratches, your HR-V has your back. The Windshield Cover ensures a clear view, in any weather.

1. Drive Recorder*

The genuine Honda Drive Recorder is much more than a recording device. No matter if you are driving in the city, manoeuvring your car, or even parked, this helpful technology will always be an extra lookout for you.

2. Side Body Trims

There's nothing more annoying than a scratch or dink in your car's bodywork. The Side Body Trims are made from soft, impact-resistant material and provide side protection for your car as well as add a design feature.

3. Windshield Cover

This Windshield Cover is a shield against the elements as it will protect the mirrors and front side windows from heavy weather when your car is parked outside. It features the HR-V logo.

* Drive Recorder is displayed on a right-hand drive vehicle.

Cargo Pack

If you frequently transport luggage or specialised equipment, the Cargo Pack will help keep it organised and secure. **This kit includes:** Boot Tray with Dividers, Tailgate Illumination and Boot Sill Decorations.

Items in the pack are also available separately. Alloy wheels are optional. Model shown is the HR-V Advance 1.5 i-MMD in Premium Sunlight White Pearl.

BOOT TRAY WITH DIVIDERS

This waterproof Boot Tray is perfectly shaped to fit your car's rear storage space and will protect the boot from dirt and scratches. The dividers prevent your cargo from sliding around and keep it in place at all times.

TAILGATE ILLUMINATION

The Honda Tailgate Illumination has been developed to increase your comfort and safety, by illuminating not only the boot, but also the surface behind your car. The LED light installed on the inside of the tailgate provides a powerful and consistent light in the boot, even when fully loaded. It lights up as soon as the tailgate is opened.

BOOT SILL DECORATIONS

This practical and stylish accessory for the boot protects it against scratches and bumps. It fits perfectly onto the boot's exterior lining and has an attractive brushed stainless steel finish.

Transport

Presence and practicality: as well as standout looks, the HR-V is equipped for wherever you're going and whatever you're doing. The Boot Tray works for hardwearing haul, keeping your HR-V boot protected. Carry more with the Roof Carrier and Cross Bars – or bring a four-pawed friend with the Dog Guard.

1. Boot Tray

This waterproof anti-slip Boot Tray is perfectly shaped to fit your car's rear storage space and will protect the boot from dirt and scratches. It has raised edges and features the HR-V logo.

2. Dog Guard

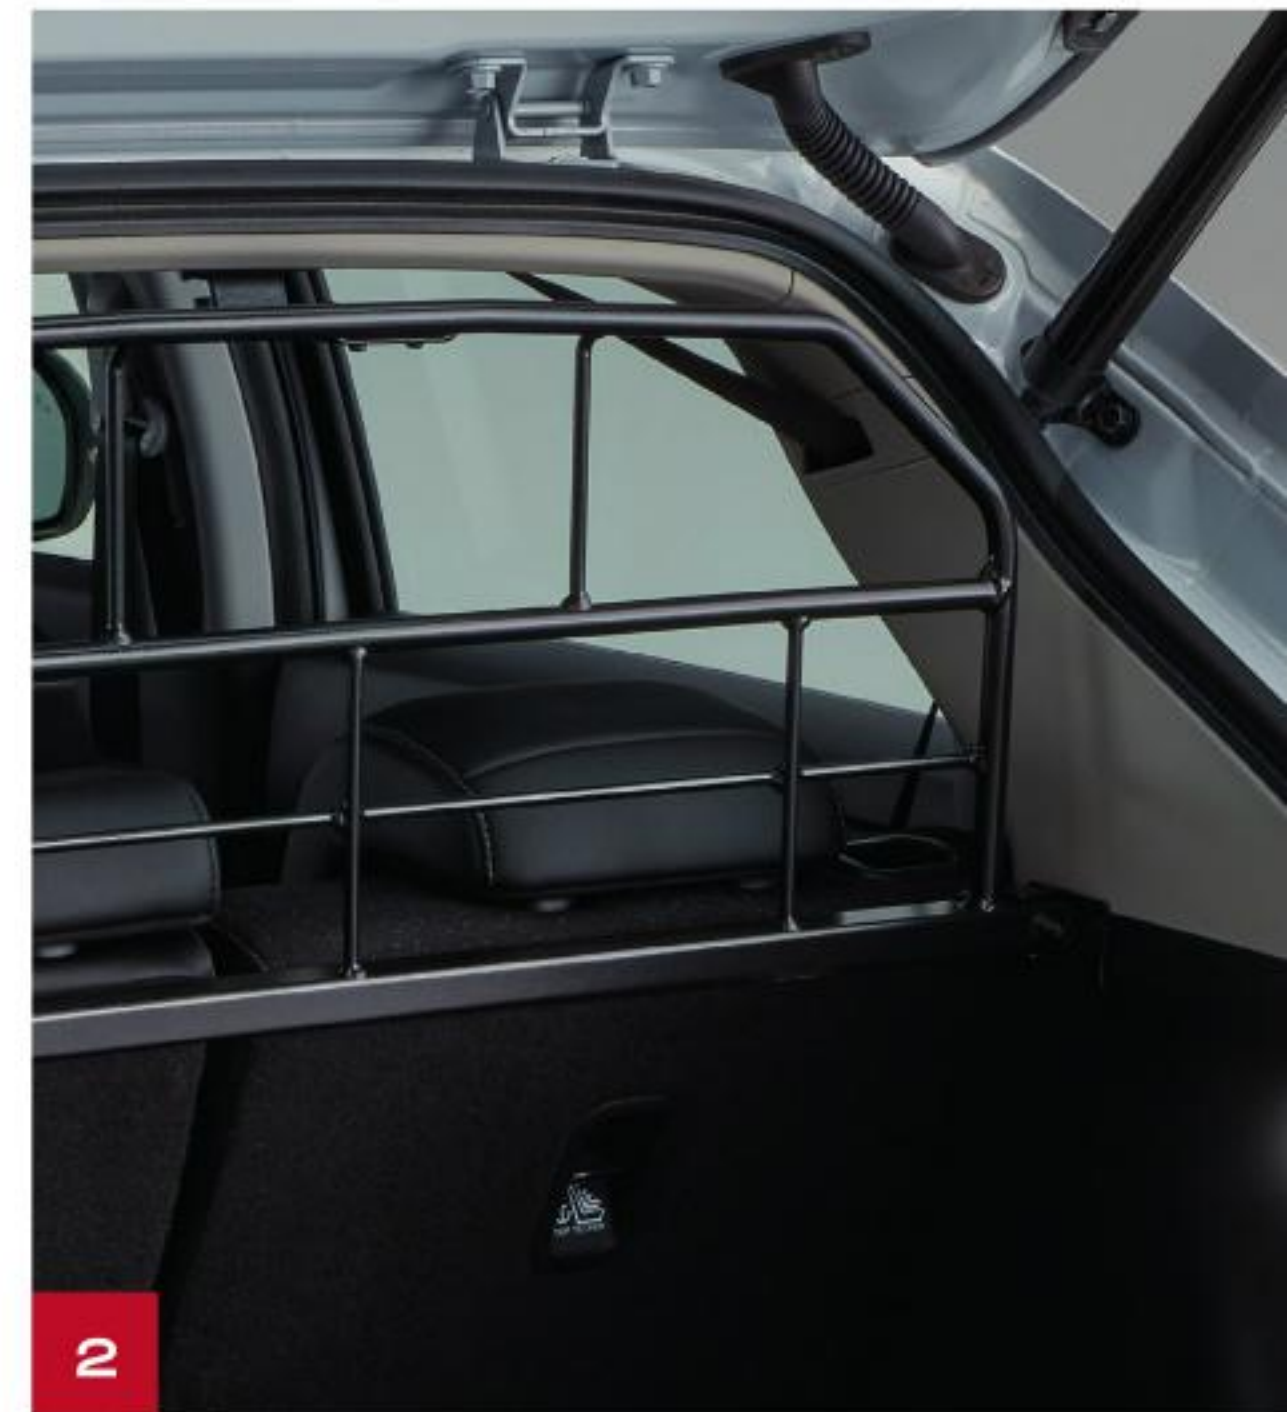

The Dog Guard keeps your pets safe by separating the rear passenger area from the luggage compartment. It fits perfectly between the rear seat back and the roof interior. It's a must for those who have pets.

3. Roof Carrier

Expand your car's carrying capacity with a secure Roof Carrier. It includes four locks. Maximum load capacity: 40kg or maximum one bicycle.

4. Cross Bars

These Cross Bars come with anti-theft locks and comply with the stringent safety requirements. Maximum carrying capacity of 45kg or maximum two bicycles.

Illumination Pack

The Illumination Pack uses a combination of lights to give an ambient atmosphere to the interior of your car.

This kit includes: Front Ambient Footlights and Illuminated Door Sill Trims.

A dark, low-key photograph of a car's interior, focusing on the driver's side. The steering wheel, dashboard, and center console are visible. The front ambient footlights are illuminated, casting a soft glow on the floor mats and pedals. The Honda logo is visible on the steering wheel.

FRONT AMBIENT FOOTLIGHTS

The Front Ambient Footlights become illuminated by unlocking or opening the doors. The footlights give a soft, cool glow to the interior of your car.

Items in the pack are also available separately.

**ILLUMINATED DOOR SILL TRIMS**

The Illuminated Door Sill Trims are crafted in brushed stainless steel and have a candle white illuminated HR-V logo. They are protecting the door sills from marks and scratches. This kit includes illuminated front and non-illuminated rear trims.

Interior & Comfort

1. Sun Blinds

Stay cool and in the shade with these Sun Blinds.

They provide sun protection for rear passengers and are easy to mount and take down again. The kit includes: four blinds and complimentary storage bag.

2. Premium Floor Mats

These premium and comfortable fitted tufted carpets, with dual tone black/silver nubuck binding, have a metal HR-V emblem for durability. One set includes: front and rear mats.

3. Wireless Charger

The Honda Wireless Charger kit ensures your smartphone never runs out of power. Simply place your phone on the integrated charging mat for effortless charging without the hassle of wires. Compatible with all mobile phones with wireless charging feature.

4. USB Charger Rear

This Rear USB Charger kit is the perfect addition to provide your rear passengers with power at all times. The kit includes two type A USB connections.

5. Rubber Mats

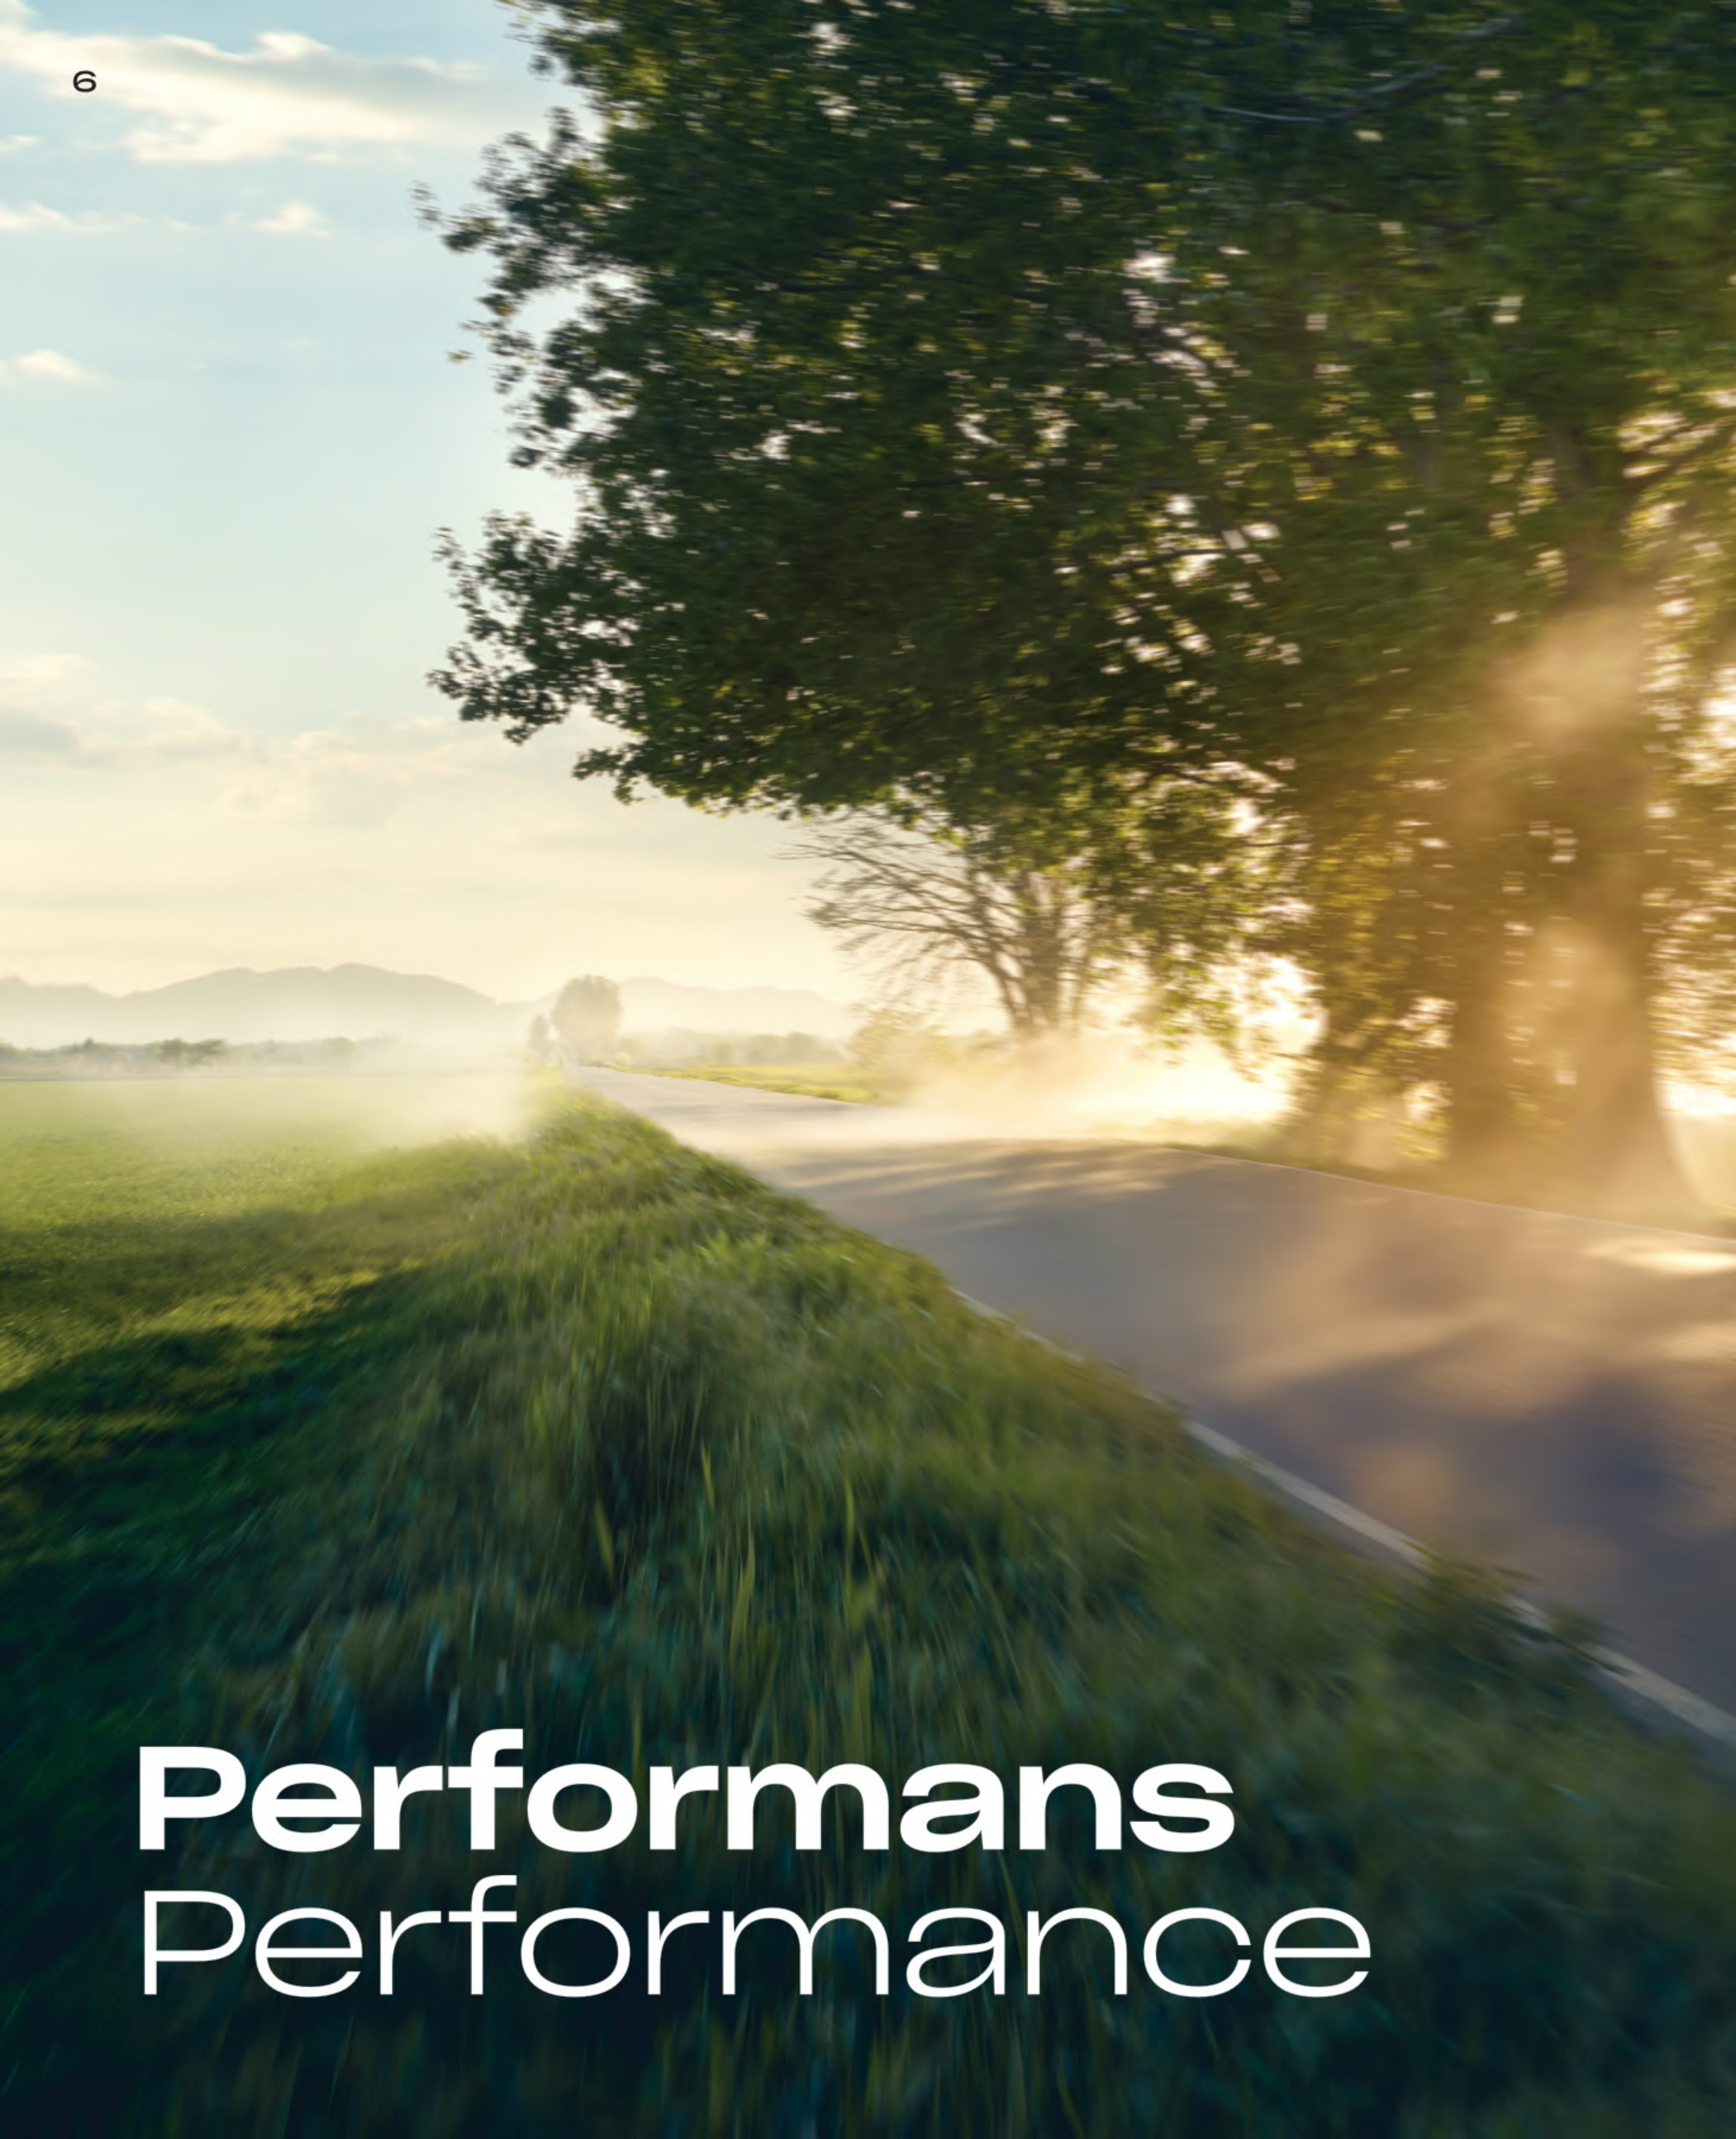

Tough yet easy to clean, these Rubber Mats – with raised edges – are made to protect your car in the front and back, and feature the HR-V logo. The kit includes: front and rear mats.

6. Tailgate Illumination

The Honda Tailgate Illumination has been developed to increase your comfort and safety, by illuminating not only the boot, but also the surface behind your car. The LED light installed on the inside of the tailgate provides a powerful and consistent light in the boot, even when fully loaded. It lights up as soon as the tailgate is opened.

7. Privacy Glass

If you value privacy for your rear passengers, the Privacy Glass is the perfect addition to your HR-V. This kit includes: two rear side windows and the rear window.
